Adsil, Inc. TECHNICAL DATA SHEET TS-44

MicroKleen™ Spray & Equipment Cleaner AD1-919 (IPA)

DESCRIPTION: (Isopropyl Alcohol)	**MicroKleen**™ Spray & Equipment Cleaner AD1-919 is a pure grade of Isopropyl Alcohol (99% anhydrous). It is a flammable liquid and should be stored away from any possible sources of ignition; including pilot lights, electrical circuit boxes, electrical wiring, etc; **DO NOT SMOKE** when working with **MicroKleen**™ AD1-919.
DIRECTIONS FOR USE:	**MicroKleen**™ Spray & Equipment Cleaner AD1-919 is used to clean and/or flush application tools and spray equipment, following the application of **Adsil** Inorganic Clear Siloxane Protective Treatments. **MicroKleen**™ AD1-919 can also be used to clean up drips, spills and over spray before the **Adsil** Clear Siloxane products dry to touch. To clean up drips, spills and over spray, saturate clean cotton cloths with AD1-919 and wipe up before product dries. Always dispose of alcohol-saturated cloths in a safe and proper manner. In certain situations, **MicroKleen**™ AD1-919 can be used to spot clean marine bright work, exotic metals or bare aluminum preliminary to the application of other **Adsil** Inorganic Clear Protective Treatments. Using a hand held spray-atomizing bottle, mist the area to be cleaned with AD1-919 and immediately wipe the area with a clean, white cotton cloth. Take care to exchange the cloths frequently. Dispose of alcohol saturated cloths in a safe and proper manner. When ambient conditions are hotter than 85^0 F., or relative humidity is less than 50%, use **MicroKleen**™ AD1-103 Retarder Solvent to reduce **Microsil**™, **MicroGuard**® or **MicroBrite**™ Inorganic Clear Protective Treatments. Refer to specific Technical Sheets for each individual **Adsil** Clear Siloxane product for complete thinning instructions.
JOB SITE SAFETY:	Always wear safety glasses, latex gloves and a properly fitted respirator (NIOSH/MSHA – Black Cartridge) when working with **MicroKleen**™ AD1-919. Always read specific label cautions and MSDS before working with this **Adsil** product. Always have MSDS on file and available at the job site.
SITE CONTAINMENT:	Disposal of collected product, residues and clean up materials may be governmentally regulated. Observe all applicable local, state and federal waste management regulations pursuant to the use of **MicroKleen**™ Spray & Equipment Cleaner AD1-919. Wipe up, mop up or soak up with absorbent material any spills of **MicroKleen**™ Spray & Equipment Cleaner AD1-919. Collect and hold for proper disposal. **CHEMTREC @ 800-424-9300 INTERNATIONAL @ 703-527-3887** (collect)
